Dear Parents,

Doesn't time fly when you've been having fun?! I hope you have all had a wonderful summer holiday and made lots of lovely memories with your children. They've all had lots to tell us today and it was wonderful to welcome all of their smiling faces back into school this morning.

Diary Dates

Please find attached our *proposed* dates for the year. We have endeavoured to map out the school year in order to help us all plan ahead, although I would like to say that the dates are provisional but we will give as much notice as possible if we need to re-arrange any.

School Lunches

Our new Catering supervisor, Mrs Wendy Fox, has lots of exciting theme days planned for the year and you will notice in the calendar that we already have dates in for Mum's, Grandparents and Dad's lunches. We are hopeful that you will be able to sign up online to book spaces, as you did for Parents Evening. More details will follow shortly.

Please note that the menu for last term is still in operation but without the option of picnic bag lunches. Please click on this [link](#) to view the menu. Could I also remind those of you sending in packed lunches that we do encourage a healthy eating policy and ask that fizzy drinks and nuts are not sent in. Thank you in advance for your co-operation with this.

Water Bottles

We have a good stock of new lids for the school water bottles so please do ask if you would like a free replacement lid for your existing bottle. Can I please remind you that water bottles should not be filled with juice.

Walk to School

Staffordshire County Council will once again be providing reward badges for those children who walk/cycle to school at least once per week. Please remember that if it is more convenient for you and your child to park and stride at the end of the day this journey can be recorded on the Travel Tracker the next morning and counts towards a badge.

School Website

Please do try and check the school website when you can. Homework for Class 1 and Class 2 will continue to be posted on the website, Miss Mills and Miss Heathcote will provide you with more details in due course. News and blog posts are updated weekly so that you can see what is going on in your child's class:

PE & Sports

Thank you to everyone who has already sent in PE bags. Please ensure that your child has appropriate clothing and footwear for PE as we move through the autumn term. Extra socks and warmer outer layers are always advisable to be in the bag ready for action!

I am very excited about the year ahead and look forward to building on last year's success. Please do keep in touch with us as regularly as possible. One way of course is by making good use of the home/school diary which your child will have brought home today. You are of course always welcome to email me with your comments, compliments and suggestions for improvement.

Warm regards,

Vicki Bradley
