Dear Parents

As some of you may be aware we enjoy a super relationship with our local WI and they are good enough to come into school on a weekly basis and hear a number of our children read.

I am delighted that they have invited us to take part in Performing Arts competition to celebrate Performing Arts week, later on this month.

The idea is that any children who wish to take part are invited to prepare one of the following over the next couple of weeks at home. They could perform as a solo or part of a group:

- Singing
- Musical instruments
- Drama, which could include a poetry recital or a short scene
- Dance

On the afternoon the children would have the opportunity to showcase their talent and the WI will judge their performance and offer prizes. I am sure that there will also be some cakes involved for everyone 😊

Please do let your class teachers know as soon as possible if your child would like to take part so that we can further our arrangements.

Kind regards

Vicki Bradley
