Covid-19 Update: June 2020

School attendance is subject to various education laws and this school Attendance Policy is written to reflect these laws and the guidance provided by the Department for Education and Employment. Each year the school will examine its attendance figures and set attendance targets that reflect both national and Staffordshire attendance targets.

In order for a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards full attendance for all children and continuously convey the importance of regular and punctual attendance to parents and carers.

Aims of Policy

- a. To provide a full and efficient education to all pupils and ensure equal opportunities for all.
- b. To provide an environment where all pupils feel valued and welcome.
- c. To ensure that attendance of all pupils is monitored and that the importance of regular and punctual attendance is communicated to parents and carers.
- d. To promote high levels of attendance so that each pupil can achieve maximum benefits from the educational, personal and social opportunities available at All Saints First School.

School Procedures

Any child who is absent from school must have their absence recorded as being authorised or unauthorised. Only the Headteacher or a member of staff acting on their behalf can authorise absence.

Registration

The register is open from 8:55am until 9:05am

a) Register is taken 8:55am to 9:05am

b) Any child arriving late - after 9:05am but before 9:15am will be marked late (L on the register)

c) If a child arrives after 9:15am they will be marked as 'U' - Late -Registration closed. This is regarded as an unauthorised absence unless an explanation is given and accepted as grounds for authorising the late arrival, in which case the appropriate code will then be used.

Any children arriving after 8.55am should enter school through the main school doors in order for their late arrival to be recorded.

Afternoon registration will take place at **1.00pm** and the registers will close at **1.10pm**.

As part of the LA Attendance Officer's role she will conduct half termly 'Late Gates'. This involves spot checks at the school gates to monitor the percentage of children arriving late to school.

First day Absence

Parents and carers are asked to notify the school office by telephone (or other means) before 9:15am on the first day of absence. If the length of absence is known then the parent/carer doesn't need to ring daily. If the length of absence is unknown, then the parent/carer needs to ring on each day of absence.

The school office staff pass messages to the child's class teacher and enter the absence in the register if contact is made via the school office. Teachers should inform the office if the message has been passed directly to them from the parent/carer.

Class teachers should ensure that parents/carers receive any letters or information that has been given out during the child's period of absence.

Completing registers

Each class in the school has one page printed in register format each week and this is kept in a named register folder. Codes to be used for absences are printed and kept in the register folder for reference; teachers should seek the advice of the Headteacher if they are unsure of the code they should enter. At the end of the week the school office staff enter the attendance figures on to the SIMs computer system.

Registers are brought to the office by **9.10am** and dinner lists taken to the kitchen. The nominated class helpers are responsible for collecting the register at the end of lunchtime from the office and returning it to the office after registration at 1:10pm. All registers must be kept in a central area i.e. the school office to comply with Fire Safety regulations for evacuation.

Students on teaching practice should only complete registers under the direct supervision of their class teacher. Teachers are responsible for checking the register to ensure that it has been completed accurately. When a supply teacher or HLTA is covering a class they are responsible for the register and must report any messages or concerns to the class teacher.

Class registers should be completed in Black Ink.

Child Missing in Education

A child will be considered as 'missing in education' if they have not attended school, with no explanation from the parent for 20 consecutive school days.

Poor Attendance and Frequent Absence

Class teachers should bring any concerns they have over attendance directly to the Headteacher. Children's attendance is monitored daily and analysed half termly. Any absence raising concern will be discussed with the LA Attendance Officer during the half termly meeting. Letters will be sent to Parents/Carers termly informing them of their child's attendance percentage. However, letters will be sent half-termly for any children with attendance below 94% (See Appendix 1)

The Parents/Carers of children who have persistent absence (below 90%) will be written to and will be referred to the LA Attendance Officer. Parents/Carers will be invited to attend an Attendance meeting with the Headteacher and LA Attendance Officer.

Leave of Absence / Holidays during term time

Please refer to the Staffordshire Local Authority Code of Conduct for issuing Penalty Notices, Sept. 2017 (Appendix 2) and the 'Letter to Parents - absence policy update Sept 2017 (Appendix 3). As per this code of conduct the Headteacher will only authorise term time absence in exceptional circumstances. The school's Governing Board and Headteacher do not consider family holidays taken in term time to be 'exceptional circumstances'.

Parents who want the school to consider granting leave of absence in school term time should read the 'Parental Request for Leave Letter' (Appendix 4), complete the form and

send it to the Headteacher. This form should be sent to the school in time for the request to be considered **well before** the desired period of absence. Parents are strongly advised not to finalise any booking arrangements before receiving the school's decision regarding their request. The Headteacher cannot authorise any leave of absence unless the request is received before the period of absence begins.

There is no automatic right to any leave in term time.

Attendance Awards

Attendance Awards will be presented at the end of each year.

Children who have 100% attendance for the year will receive a special 100% Certificate and a choice of attendance awards e.g. an extra playtimes; a DVD afternoon etc.

Children who have 97% to 99.9% attendance for the term will receive a special Good Attendance Certificate.

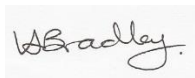

There will also be a **reward each half term for the top attending class**. Each class will choose the type of reward they would like to receive.

Monitoring and review of the policy

The Headteacher is responsible for this policy.

The policy will be updated annually and reviewed every three years or sooner as required due to any changes in the law etc.

If, following Government announcement, school re-opens to pupils on Monday 1st June 2020 the following shall apply to Attendance.

Background

Following the announcement by the Government on Sunday 10th May that schools were to re-open to children in Nursery, Reception and Year 1, the DFE published guidance that can be found here:

<https://www.gov.uk/government/publications/preparing-for-the-wider-opening-of-schools-from-1-june/planning-guide-for-primary-schools>

Within the guidance, it advises:

Attendance reporting

Parents and carers of eligible year groups, and critical workers/parents and carers of vulnerable children, are strongly encouraged to bring in their children, [but they will not face fines or other sanctions if they don't](#).

In order to ensure that our children can return to school in as safe a way as possible in the current circumstances, All Saints CE (VC) First School will be making the following temporary changes to this policy.

The following shall apply from 01/06/2020:

- All children attending school should arrive as follows:

Parents have a responsibility to clearly state if they believe their child is exhibiting Covid-19 symptoms ([follow this NHS advice.](#)) in order to allow school opportunity to implement additional procedures to keep children and staff in school as safe as possible.
- Parents of children who will be accessing childcare in our Key Worker and Vulnerable children Bubble will be expected to inform the school office or Headteacher via email of the days that they will require care. These dates should be given by the Friday of the preceding week.
- Register codes will be adapted during this period as per Government guidelines, which are to be issued prior to re-opening.
- The issuing of green, red, yellow and grey letters will be suspended until further notice.
- Parents with children in Reception and Year 1 who will not be returning to school on June 1st, have a responsibility to inform school daily of their child's absence.
