

Rowan class topic

Spring term 1

Once upon a poem and Who pays the price

Independent Homework ideas.....

Create a shape poem about an animal with a very distinctive shape.

Use alliteration to write a very long poem about a slippery snake.

Find some shape poems on the internet or in a book and print or copy your favourite ones.

Make a poster to explain how the water cycle moves water from the sea across the land.

What is plastic pollution?
Why is it a problem?
Find out and present what you find in a poster, a video or a way of your choice

Make a junk model robot from your recycling materials at home.

Keep a recycling diary to find out how many things you put in the recycling at home in a week. You could count tins, bottles, plastic items and cardboard boxes.

Attention Inventors!
Make something useful out of items from your recycling. Bring it in to show us and/or write the instructions so that we can make one too!

Once upon a poem

Who pays the price ?
