

Summer A Homework

Please find attached the homework activities for the first half of the Summer term. Many of the activities are cross-curricular and allow children to apply a variety of skills. Please encourage your child to choose one to complete each week. Please bring completed homework in on a Thursday or Friday so that feedback can be given. There will also be an opportunity each week to share their homework.

Important Information:

The children's new eBook will be set online every Friday. Library books will be changed every other Friday but they don't have to be changed every week, you can keep them until you have finished them. The children will choose a new home reading book each Thursday as well. Children are expected to read for 5-10 minutes each night. Please record this in your child's diary so that we can monitor home reading. You need to bring your book bags into school every day.

Maths homework will be set online every Friday using resources such as One Minute Maths, Purple Mash and Mathletics. This will need to be completed by the following Friday.

Tricky word sheets and GPCs will be sent home and checked weekly where appropriate.

This half term the homework is based on our topics...
Hero Hunters and Once Upon a Poem

Can you create a map of
the local area?

Can you design your own
superhero?

Can you write a description
of your favourite superhero?

Can you draw a picture to
represent your favourite
Nursery Rhyme?

Can you write a set of instructions
for something?

Can you create and label a
map of your house?
