

# AROUND THE WORLD WITH THE THREE BEARS

Our topic homework for this half term is based on the theme of, 'Around the World with The Three Bears'. I have outlined different homework tasks which can be completed across the half term.

Please encourage your child to choose one to be completed each week (some may take them longer than a week to complete). Topic homework should be given in on a Friday. Children are expected to complete at least four pieces of homework across the half term.

Children should also read to an adult daily and complete their maths and phonics home learning.

# AROUND THE WORLD WITH THE THREE BEARS

Write some interesting facts about a city that you have researched. It could be a city in a different country. What are the human and physical features? What is the population? Does it have any famous landmarks?

Write a postcard from a place that you have visited in the past. It could be somewhere you have been on holiday, for a day trip or somewhere you have been to many times.

Interview an adult that you know. What has been their favourite place to visit? Why did they enjoy it so much? What did they see and do there?

Make a collage using pictures of popular tourist resorts to visit in the United Kingdom.

Create your own piece of artwork to show a famous landmark from around the world. For example, you could create a painting or a sculpture.

Read a traditional story and then retell it to someone else. Remember to use story language when you do it.

Take your own teddy bear on a trip. Write a recount about what you both did there. You could also add some drawings or photographs.

Create your own mini travel brochure all about one of the seven continents of the world! Imagine you trying to get people to visit your continent, tell them as many interesting facts as you can and draw maps, flags and pictures to help them find out more.

Think of your own piece of home learning about our topic this half term.
