Hello

Well it has been a very busy week at All Saints.....

Unfortunately we are unable to share any findings from the recent inspection until it is officially published on the Ofsted website. However, I would like to say a huge thank you to the pupils, who were polite, articulate when speaking to the inspectors and behaved impeccably. They all demonstrated how amazing the pupils at All Saints are. Also thank you to everyone who filled in the Ofsted questionnaire and to all the staff for their hard work.

Alison Bagnall

Hello Everyone

Mrs Bagnall has asked me to give you a quick update on how my recovery is going. As many of you will know, I finished my initial treatment at the end of November and have been focussed on recovery since. I'm now beginning to be able to swallow some solid foods and my taste buds are recovering a little! I can almost enjoy a cup of tea now but coffee still tastes awful - very distressing ☹️

I know school is in very good hands with our amazing staff but I do miss the children enormously. I'm very much hoping to be able to visit again before Easter. Best wishes to you all, Mrs Bradley.

**Standon Bowers**

**Before half term our Yr 3 and Yr4 pupils enjoyed a visit to Standon Bowers Outdoor Centre. Whilst there they enjoyed team games, low ropes, archery and bush craft activities. When the Yr3 pupils went home for tea, Y4 pupils prepared for a night of fun! (although I am not sure Mr Elliot-Hancock had much sleep!)**

***I liked the blindfold trail as it was funny and good fun! - Harris***
