Hello

I hope you are all keeping well.

You may have noticed that we have a new school motto—' *Caring, Succeeding, Flourishing*' this was agreed at the last meeting between Mrs Bradley and the Lichfield Diocese. This motto is reinforced by our chosen bible verse ' *With God all things are possible*' Matthew 19:26

I will be meeting with the diocese during the next week to finalise a bible story to support our motto. If you have any thoughts please let me know.

It is lovely to see the light mornings and nights coming around, at last spring is on its way.

SPORTS SECTION

Some girls from Oak and Rowan classes have recently taken part in the 'Biggest Girl's Football Session' as part of the initiative being run by Barclays & England Football to encourage and promote girl's football until it is recognised at the same level as men's football. The girls all enjoyed their skills based sessions and being able to take part in small matches against other local schools. We are very proud to be supporting this programme and ensuring that girls have the opportunities that boys do to play football within school.

Walk to school Week beginning 12th May

We are encouraging pupils and parents to take part in Walk to School Week this May. Walking is a healthy, active, and non-polluting way of getting to school. For those that live too far away to walk the whole distance away try parking 5-10 minutes from the school and walking the rest of the way. Walking also promotes a less congested environment around the school gate making it safer for everyone."
