

# Rowan Class Homework Spring A 2025

Topic homework this term is linked to all that the children are learning in the Foundation Subjects and English. Please encourage your child to choose one task to complete each week. Completed work should be handed in on Fridays. Please note that the children are expected to complete at least four pieces of homework over the half term. Alongside their topic homework, Rowan Class children also have a weekly piece of Maths homework to complete, which will be set online via Mathletics each week. Your child should also read to an adult, practise their times tables daily for 5-10 minutes, and complete their spellings homework.

# Rowan Class Homework Spring A 2026

## Geography – Land Use Around Me

**Task:** Draw or list three different types of land use you can see in your local area and label each as human or natural.

You may wish to present this as a map of your local area.

## Design & Technology – Levers & Linkages

**Task:** Find a book, card, or object that moves and describe or draw how it pushes, pulls, or lifts. What materials is it used from? Draw a detailed and labelled diagram of the item.

## Science – Light & Shadows

**Task:** Children look at a shadow at **two different times of the day** (e.g. morning and afternoon OR indoors with a light on/off).

Draw or describe the shadow explaining how it changed.

# SOUND

## History – Ancient Civilisations Research

**Task:** Research either the **Shang Dynasty** and write down where it was, when it existed, one achievement, and one interesting fact.

## RE – Learning in a Mosque

**Task:** Choose one feature of a mosque and explain what it is used for and what it shows about Muslim beliefs.

## Computing – Sequencing Sounds

**Task:** Write or draw three everyday sounds in the order you hear them and number them from first to last.

Explain what makes these sounds (for example: The washing machine makes a tune to let us know that the cycle has ended).
