Dear Parents,

As many of you will know, school budgets are tighter than ever, and while we work hard to prioritise spending where it has the greatest impact on our children, it does mean that some of the general upkeep around the building has to wait. One area that could really do with some attention is the paintwork, which is looking a little tired and in need of some TLC.

To help us refresh the school without the cost of hiring professional decorators, we're launching our very own "Paint & Pizza Party" during the Easter holidays. Now, we should probably admit upfront that it's not a party in the traditional sense — no balloons, DJ or dance floor — but we do hope it will still be an enjoyable, friendly, and rewarding few days where our community comes together to make a real difference.

We're sending this information out in advance so that anyone who would like to help has plenty of time to keep the dates free. We'll be opening the school from Tuesday 7th April to Thursday 9th April, between 9am and 4pm each day. If you're able to spare even an hour or two on any of those days, we would be incredibly grateful.

All paint will be provided, but if volunteers are able to bring along any equipment such as rollers, brushes, paint trays, or ladders, it would help us enormously and allow us to make the most of the time available.

To keep everyone going, we'll be supplying pizza, tea, and coffee throughout the day. This will be an adults-only event to ensure the work can be completed safely and to a good standard.

If you're able to join us, please complete the Microsoft Form linked below so we can plan ahead and make sure we have enough refreshments for everyone.

Your support — whether it's time, tools, or simply encouragement — means a great deal to us. Together, we can give our school a fresh, welcoming look that our children will be proud of.

With warm regards,
