Christian Distinctiveness

Our Worship theme this half term has been 'Courage'

We explored this theme through the story of Moses who took a courageous step to overcome his fears.

We thought about challenges we face and how we can overcome them using courage.

We explored how choosing the right path might not always be the easiest way, but we can show courage in making good choices.

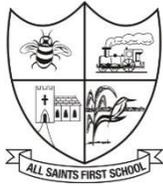

COURAGE

'Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go.'

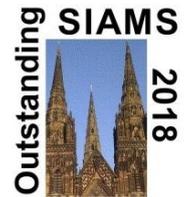

Joshua 1.9

The Mobile Library will visit on the 13th of February then will return after half term on the 27th of February and the 13th of March.

We would like to encourage you to take a little time to explore a recently published guide from the Children's Commissioner titled: [What I wish my parents or carers knew: A guide for parents on managing children's digital lives.](#)

This helpful resource has been shaped by children and young people themselves and offers practical advice on supporting children to stay safe, healthy and confident in the online world. It covers topics such as screen time, online safety, social media, gaming and how to have open, positive conversations about digital life at home.

As technology continues to play a significant role in children's daily lives, this guide provides valuable insights to help parents and carers understand children's online experiences and support them effectively.

Thank you for taking the time to engage with this important guidance and for your continued support in helping our children thrive both online and offline.

Spotlight on... Kingfisher Club

This half term Kingfisher Club have done an amazing job using the I-motion app with Lego to create stop-motion animation, building lots of superb and inventive models.

We have enjoyed a variety of board and card games, including learning traditional games like Happy 'Families' and 'Donkey'.

Next week we will share with you the changes to clubs for after half term.
