Caring, Succeeding, Flourishing, whilst carrying our values in our HEARTS

I can do all things through Christ because he gives me strength. Philippians 4:13

6th March 2026

Dear Parents,

Recently, we shared a Parent View video on our social media channels where some of our families kindly spoke about their experiences of All Saints. It was wonderful to hear such positive reflections, and we are very grateful to those parents who felt comfortable sharing their views on camera.

However, we completely understand that not everyone feels comfortable being filmed or appearing on social media, and many parents may still have valuable thoughts they would like to share in a different way.

You may also remember that last week, we shared an Ofsted parent survey to gather feedback about the school. While this gave us helpful information, the responses were quite structured and didn't always give parents the opportunity to share their thoughts in a more open and personal way.

For this reason, we are inviting parents and carers to submit a short testimonial about their experience of All Saints. These testimonials will help us celebrate the wonderful community we have here and support the promotion and marketing of the school, including on our website and social media platforms.

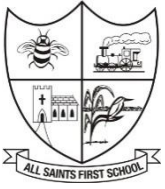

All testimonials will be shared anonymously, although if you would like your name included within your response you are very welcome to do so.

If you would like to contribute, please complete the short form using the link below:

If you're unsure what to write, you might like to include things such as:

- What your child enjoys most about being at All Saints
- How the school has supported your child's learning, confidence or wellbeing
- Positive experiences you have had with staff or communication from the school
- Something that makes All Saints feel special to your family
- How your child has grown or developed since joining the school
- Why you would recommend All Saints to other families

Your voice plays an important role in helping others understand what makes All Saints such a special place to learn and grow, and we would be very grateful for your support.

Thank you, as always, for being such an important part of our school community.

With warm regards,
