Dear Parents,

We have some exciting news to share—All Saints Standon is now on Instagram!

As part of our ongoing marketing strategy, we're working to raise the profile of our lovely little school within the Stone and Eccleshall area. Increasing our visibility isn't just about celebrating what we do—it also plays an important role in helping us grow our pupil numbers. Every additional child who joins us has a meaningful impact on our school budget, which directly supports the resources, experiences, and provision we're able to offer all our pupils. In short, a growing school helps us continue providing the rich, nurturing education we're so proud of.

Our new Instagram account is one way we hope to reach more families. You can find us at @AllSaintsStandon, and we'd love for you to give us a follow. If you enjoy our posts, please do share them with friends, family, and the wider community. Every like, share, and comment helps our content reach more people.

Don't forget to keep engaging with our Facebook posts too. A quick like, comment, or share really boosts the visibility of our updates and helps them travel much further across the local area.

We also know that many of you have brilliant ideas and strong community connections. If you have any suggestions or creative thoughts about how we can further promote and market our school, we would be very grateful to hear them. Your insight and support make a real difference.

For too long, our lovely little school has been a hidden gem, but not always seen by those outside our immediate community. We have so much to offer, and with your help, we can make sure more people get to see just how special All Saints CE First School truly is.

With warm regards,

David Elliott-Hancock
