15th June 2026

Dear Parents,

This afternoon, our Year 4 children helped to tidy and reorganise the PE shed with me. During this process, we discovered that the base of the shed has unfortunately rotted through and is now completely unusable. As a precaution, I have checked our other two outdoor storage sheds—one used for Early Years outdoor equipment and the other for spare furniture and maintenance supplies—and found that these, too, are in a similar condition.

These sheds are essential to the day-to-day running of our school. They store equipment we rely on every single week, and replacing them has now become an urgent priority. Sadly, some of our sports equipment had already been damaged beyond repair due to the damp and rot, and we are unable to return the remaining items to the PE shed in its current state. We must act quickly to ensure our children continue to have access to the resources they need.

As you know, being a small school brings many advantages, but it also means our budget is incredibly tight. This unexpected cost was not something we had planned for, and replacing all three sheds will have a significant financial impact. For this reason, we are reaching out to our parents, families, and wider community for support.

If you feel able to contribute, we have set up a fundraising page to help us purchase new sheds. Any donation—large or small—would make a meaningful difference, and we would be deeply grateful. Please also consider sharing the link with friends, family, and anyone in our wider community who may wish to help us reach our target.

Our fundraising page:

https://www.justgiving.com/crowdfunding/all-saints-sheds?utm_term=vpP97kA6M&utm_medium=FA&utm_source=CL

Thank you, as always, for your continued support. Our school community is incredibly special, and we are hopeful that together we can resolve this quickly for the benefit of all our children.

With warm regards,

David Elliott-Hancock
Headteacher
