Dear Parents and Carers,

Amazon Wishlist – Rainbow Room Project

At All Saints, we are continually looking at ways to ensure that every child feels supported, included and able to thrive during their time in school.

Over recent years, we have seen an increasing number of children who benefit from additional support with their sensory, emotional and regulation needs. As part of our commitment to meeting these needs, we are excited to share plans to transform an underused space within school into a dedicated sensory space, we plan to call the Rainbow Room.

Our vision is to create a calm, welcoming and nurturing environment where children can access sensory resources, regulate their emotions, take a moment to reset when feeling overwhelmed, and receive support that enables them to return to learning successfully. We believe this space will make a significant difference to many children across our school, helping them feel safe, supported and ready to learn.

As with many school improvement projects, funding presents a challenge. Whilst we are committed to developing this provision, a project of this nature requires specialist equipment and resources that are simply beyond our current budget.

With this in mind, we have updated our Amazon Wishlist with selected items that would help transform this room from its current role as little more than a storage space into a purposeful and valuable resource for our children.

If you, a family member, local business, or member of our wider school community would like to support this project, we would be incredibly grateful for any contribution, large or small.

Our Amazon Wishlist can be found here:

Every item purchased will take us one step closer to creating a space that will have a lasting impact on the wellbeing and success of many children for years to come.

We understand that not everyone is able to contribute financially, and there is absolutely no expectation to do so. Your ongoing support of our school is always appreciated. However, if you are in a position to help, we would be extremely grateful for your generosity.

Thank you for helping us to continue making All Saints a place where every child can flourish.

With warm regards,

David Elliott-Hancock
Interim Headteacher
