

ALL SAINTS C.E. (V.C.) FIRST SCHOOL & BUSY BEES PRE-SCHOOL

Headteacher: Mr D. Elliott-Hancock

Caring, Succeeding, Flourishing, whilst carrying our values in our HEARTS

I can do all things through Christ because he gives me strength. Philippians 4:13

18th November 2025

Dear Parents,

I hope this message finds you well. I am writing to re-confirm that our school continues to operate as a nut-free environment. This policy is in place to ensure the safety and well-being of everyone in our community.

Nut allergies can pose serious health risks, including life-threatening anaphylactic reactions that require immediate medical attention. Even trace amounts of nuts can trigger these reactions, which is why maintaining a nut-free environment is so important.

In addition to protecting our pupils, we regularly welcome visitors and guests who may have severe allergies. We are also currently working hard on a marketing push to grow our school community, which means we may welcome new children and families in the near future—some of whom could have allergies. Remaining consistent with our nut-free approach ensures that our school is always a safe and inclusive environment for everyone.

Over the past few years, we have done an excellent job as a community in supporting this policy, and we are very grateful for your cooperation. However, we have noticed that this year there has been a slight increase in nut-based products being brought into school. We kindly ask for your renewed commitment to keeping all nut products out of packed lunches, snacks, and any food sent to school.

Thank you for your continued support in helping us keep our school safe for everyone.

With warm regards,

David Elliott-Hancock
Headteacher
